Helpline Workshop

The Helpline committee will be holding a training workshop on Saturday November 26th, 2011 from 10:00 am to 2:00 pm at the Area Service office, in the conference room, 3920 Rachel St. East, Montreal (corner of Orleans) (Pie IX metro)

If you are interested in becoming helpline workers or wish to learn more about working on the helpline, this workshop will be very useful. One year continuous sobriety is suggested.

It is also a good time to learn about DLP's. It is a fantastic way to carry the message and to put in practice the meaning of the fellowship of AA; a mutual sharing of experiences, activities designed to help each other and to keep our sobriety alive.

Call Rolly L. (helpline coordinator) to reserve your spot at (514-374-3688)
