Archives – Area 87

As it is organizing its historical archives, the Area 87 Archives Workgroup is looking for a few people that could help digitalizing its old documents (OCR scan, mpeg's and mp3 conversion of audio and video). Since it is very sensitive material, some precaution will apply. As you read this, maybe you are in possession yourself or know people who may be interested in transmitting archives to the next generations. To do so, please use the structure (GSR-DCM-Area office) to reach us.

If you need more information, please contact the Archives Workgroup Coordinator, Pierre V. at archives@aa87.org or phone (514) 374-3688.

Public Information Committee

The primary purpose of A.A.'s public information service is to carry the A.A. message of recovery to the still-suffering alcoholic by informing the general public about A.A.

We carry our message, which can report on the nature and purpose of A.A. and what it can do for alcoholics by distributing literatures in public places such as: medical clinics dentists' and doctors' offices, public libraries, police stations, churches and others.

By being present with displays, by placing rack stocked with appropriate literature and meeting schedules in every high schools, colleges, hospitals and conventions. We also have information activities and presentations in classroom with students, with organisations for kids and adults, group meetings and others. By contacting the convalescent homes, rest homes, senior centers and by reaching out hearing impaired. Furthermore, making contact with radio and television stations and announcements in newspapers and Internet. As our co-founder, Bill W. wrote: Whatever the form, it comes down to "one drunk carrying the message to another drunk," whether through personal contact or through the use of third parties and media.

To reach us, contact the Area 87 Service Office at 514-374-3688

Helpline Committee

If you have at least one year continuous sobriety and would like to ensure that the hand of A.A. is always available on our Telephone Helpline, call us.
