# Journée des Centres de Détention Correctional Facilities Day

6<sup>ième</sup> Édition | 6<sup>th</sup> Edition

En collaboration avec [In collaboration with] Districts 87-10 & 87-06

6 conférenciers-ères francophones | 6 English Speakers

La journée des centres de détention est un événement bilingue mettant à l'affiche des conférenciers-ères ayant passé par les établissements correctionnels qui ont trouvé les AA et qui sont sobres aujourd'hui. Elle vise à exposer le besoin criant de nos membres confinés d'avoir des réunions et démontrer les impacts bénéfiques qu'elles peuvent avoir sur ces hommes et ces femmes qui se sont retrouvés dans cet endroit horrible à cause de l'alcool.

Corrections day is a bilingual event of marathon speakers whom have had previous encounters with Correctional Facilities, found AA and are sober today. The day aims to spread awareness of the dire need of meetings our confined members have and how impactful meetings can be on the lives of the individuals who find themselves behind bars due to alcohol.

# RECRUITMENT – HYBRID MEETINGS (ZOOM / IN-PERSON)

## *Two service opportunities available*

The smooth running of our meetings often depends on simple actions... and on trusted servants who are willing to step up. Today, we need you.

---

### **Zoom Host (software)**

- Set up and prepare the meeting (waiting room, co-hosts, recording)
- Start the meeting and ensure participants can join
- Manage microphones, chat, and screen sharing
- Relay questions from online members
- Provide basic technical support as needed

### **In-Room Tech (equipment)**

- Set up and test equipment (camera, microphones, sound, connection)
- Adjust framing and audio during the meeting so everyone can be clearly seen and heard
- Help maintain a strong connection with online participants
- Pack up equipment after the meeting
- Report any improvements needed

### **A service that makes a difference**

Behind every smooth meeting are members working quietly in the background, helping others stay connected to the message.

Taking on this service is a way to support our unity... and often strengthens our own recovery.

If you feel called to this service, your presence will be welcomed.
